Re: Exmar Shipping N.V. v. Polar Shipping S.A. and Polar Shipping Co., Ltd.
06-cv-12991(HB)

Dear Judge Baer:

We are attorneys representing the Plaintiff Exmar Shipping N.V. in the captioned litigation, which is a Maritime Rule B attachment matter. Funds were attached to obtain security in aid of London arbitrations. As such, the merits of the various underlying claims will not be litigated in this forum, but in London arbitration subject to English law. On December 20, 2007, we wrote to your Honor to provide the Court with a status report on the various arbitrations. Pending the outcome of the arbitrations, the subject litigation had been placed on your suspense calendar.

February 27, 2008

On February 25, 2008, attorneys for the Defendant Polar Shipping S.A. filed a motion with the Court seeking to vacate our attachment and dismiss the Complaint. As the case will turn upon English law, we will be obtaining evidence from England to be submitted with our opposition motion papers. Unfortunately, the undersigned will be away from the office next week when our opposition papers become due. We therefore obtained the agreement of opposing counsel to a one week extension of time for Exmar to file its opposition papers with the Court. Thus, the briefing schedule would be:

Opposition motion papers due.....March 18, 2008

Reply to opposition papers due.....March 25, 2008.

The purpose of this letter is to obtain Court approval from your Honor of this proposed briefing schedule.

Respectfully submitted,
FREEHILL HOGAN & MAIAR, LLP
